

# MUSIC PARENTS ASSOCIATION (M.P.A.)

Looking for a way to support music students' music activities? Join MPA! Membership in MPA gives you the opportunity to actively participate in and support music students' experiences, maintain contact with the directors and the programs, and enjoy the fun of working with other music parents. Your MPA membership gives you voting rights, regular e-mail communications including the newsletter, and the satisfaction of supporting music students and their music endeavors.

MPA meetings are the second Monday of the month at 7:00 pm in the high school music room. When necessary, meeting date changes are decided at a meeting one month in advance plus you will receive notification to your e-mail address. If you do not have e-mail, you can have your newsletter mailed to you and be on a phone call list for important notices.
